Gaylord Springs Golf Links is an 18 hole, links-style course designed by Larry Nelson. This par-72 course was not only crated to be one of the most beautiful in the country, but to challenge the competitive spirit of both the professional and the amateur. The Gaylord Springs Golf Links employs a staff of PGA golf professionals who will coordinate your group's golf tournament.

With 43,000 square feet of space, the antebellum style clubhouse at Gaylord Springs Golf Links is just as grand as it is beautiful. The grill Room, a true "19<sup>th</sup> Hole," offers delicious food in a casual and relaxing atmosphere. It is perfect for a gathering after a round of golf.
