DEPARTURE: 10:00 AM

PRICE: \$175.00 per person

MISSION SAN JUAN CAPISTRANO & LUNCH

A staple activity in Orange County is exploring the Mission in San Juan Capistrano. This tour allows you to visit and learn about the beginning of California through its Mission system. Once arriving to the Mission, Docents will lead the group on a tour of a portion of the 10 ½ acre facility. Beautifully landscaped courtyards, old adobe buildings, and a chapel adorned with an ornate alter are just a few of the sights they will see!

Guests will enjoy lunch at Rancho Capistrano Winery in San Juan Capistrano. Rancho Capistrano Winery is a family owned winery offering hand-crafted wines from grapes gathered around the world, as well as many picked right in California. Each wine is blended, fermented, oaked, racked, filtered, and bottled in their Southern California facilities. You will get to enjoy wine tasting on the patio.
